SKILLS

Personal: Problem-solving skills / Attention to detail / Critical & creative thinking / UX.UI Design
Responsive design / Time management

Design Software: Adobe CC Suite / Figma / Microsoft Office

Development: HTML / CSS / SCSS / JavaScript / Git

EXPERIENCE

Amazon / Delivery Driver
2022 - Present

BBC Design Sprint / UX.UI Designer
2021
Responded to a week-long brief requiring me to design and prototype an app that benefited students. My outcome was a short-form content news app, targeting students with damaged attention spans from extensive social media use.

B.A.M London / Editorial Designer
2021
I took part in a live brief set by B.A.M London. The task was to create a zine about a subject or interest close to me. I based the zine on folklore, a topic I've always been fascinated with.

Tyndall's Garden Centre / Garden Centre Assistant
2017 – 2019
I worked weekends at Tyndall's, completing retail and horticultural tasks.

EDUCATION

Nottingham Trent University / Graphic Design / BA (Hons)
1st Class Honours / July 2022

Hertford Regional College / Graphic Design / Level 3 Diploma
Distinction / June 2019
